Updated COVID-19 Precaution Memo:

Due to the recent COVID-19 pandemic our office is following new protocols. We are utilizing mobile check in at this time. Upon arrival at your appointment, please call our office at 919-947-0800. Be sure to make note of the parking space number, as you will need to provide this information to our front desk staff.

Please be prepared to answer a series of questions related to COVID-19.

1. Have you or any member of your household been exposed to anyone that has tested positive for COVID-19?
2. Have you been exposed to anyone that has had any known symptoms of COVID-19?
3. Have you traveled to any of the known **hotspots** within the last 14 days?
4. Is the patient currently experiencing any cold or flu like symptoms?

Please note that **ALL** patients and parents are **REQUIRED** to wear a facemask or face covering upon entering our office.

At this time we are only allowing **ONE** parent to accompany the patient in office at any given time. Siblings and additional family members without an appointment will not be permitted in the office. Please review the following guidelines regarding patient accompaniment in the office:

- One parent will be permitted in the clinical treatment area for children under the age of 8.
- Children over the age of 8 will be escorted to the treatment area without an accompanying parent.
- At the completion of the appointment one of our Assistants will walk the patient to their vehicle to review all appointment details.

Please note: Children are NOT to be dropped off. A parent MUST remain on the premises whether they are inside or waiting outside.

Your patience and cooperation are greatly appreciated during this time. We vow, in spite of the circumstances, to continue putting your smile first!

Goldsboro Pediatric Dentistry & Orthodontics
