

Greetings GPDO Families-

What a year it has been so far! As we wrap up 2022, we are adjusting to prepare for a successful 2023. Like many other businesses, our office still feels the lingering residual impact of the 2020 Pandemic as it relates to the ever-changing dynamics in the workforce. Striving to stay on top of providing excellent patient care, we will be honest and say it has not always been an easy journey.

Our patients have always been and will continue to be our number one priority. We are consistently identifying ways to improve every facet of our patient interactions. We truly appreciate the patience that our patient families have given to us during this unprecedented time.

The adjustments in progress will impact our pediatric patients currently scheduled from now through December. We are committed to accommodating everyone the best we can over the next 13 weeks. Please note that you may receive a phone call or text message from our office regarding appointment rescheduling during this time frame. For us to process these changes smoothly, we ask that you respond promptly to any appointment correspondence we send.

Lastly, we are making updates to our incoming call flow. Listen in for the new call prompts! This is another improvement to serve our patients more effectively and efficiently!

We enjoy having you as a part of our GPDO family and appreciate your understanding. We look forward to serving you and growing your beautiful smiles!

Please note our upcoming holiday closures:

Thanksgiving: Closed, November 23-25, 2022

Christmas & New Year: Closed, December 19, 2022 – January 2, 2023
